**For Immediate Release**

**KARPATY CREDIT UNION  
NAMED IN MONEY MAGAZINE  
AMONGST BEST CAR LOANS...**

Karpaty Ukrainian Credit Union has been listed in this month's edition (June 2005) of Money Magazine as having one of the best CAR LOANS available...

The criteria to score for this award required a bank, building society, credit union or even a non-bank lender to offer a wide selection of cost effective unsecured and secured personal and car products...

"We have always tried to offer a first class product in the area of New Car Loans", said Mr Duma, CEO of Karpaty upon being advised of the listing.

"Karpaty, is a small community based institution, which prides itself on being able to provide a terrific service on a broad range of savings and loans products to its membership base in predominantly in Sydney and Brisbane", said Mr Duma.

Karpaty has been providing banking services for over 35 years, primarily from its Lidcombe base, but has members in every state throughout Australia. It offers a broad range of mortgage and personal loan products, including car and boat loans, and is about to launch its E-Saver account early in July. Details are available on its website at [www.karpaty.com.au](http://www.karpaty.com.au)
